School Cash Online - Phase II Newsletter Information

Coming Soon - School Cash Online

Dear Parents/Guardians,

On June 4, the Lambton Kent District School Board is expanding School Cash Online to its schools, including Wyoming P.S. **Please note that South Plympton P.S. will NOT be using the School Cash Online system due to the impending closure at the end of June 2018. In September 2018, Plympton-Wyoming P.S. will also utilize the School Cash Online system. It is important to note that ALL current South Plympton/Wyoming P.S. parents/guardians MAY sign up for School Cash Online, however if you are going to do so you MUST choose the "Plympton-Wyoming P.S." school option when setting up your account.**

School Cash Online is a convenient, web-based solution that gives parents/guardians the ability to pay for student items online. Parents/guardians can make payments, print or view their receipts and their current account history all in real-time. The LKDSB is currently piloting the online service in 20 schools.

School Cash Online provides multiple payment options, including eCheck (direct withdrawal from your bank account) or "MyWallet" (virtually add funds and reload like a gift card). Please note, banking information is not saved in School Cash Online and must be re-entered for every transaction. Unused funds in "MyWallet" will be carried over to the next year for back-to-school purchases unless a refund is requested (more information about refunds will be available on the School Cash Online website once launched).

In order to sign-up, parents/guardians must provide your child's last name, birth date and student number (located on this letter).

Please note: There is a 2% administration fee associated with using School Cash Online. This fee is included in all of the pricing provided to parents/guardians, regardless of whether purchases are made using School Cash Online or payment is made directly to schools. All surplus funds collected through School Cash Online's administration fees will be returned to the school to be used for capital expenses.

The LKDSB anticipates there may be some challenges related to this implementation and staff will be working with schools to mediate any issues experienced during this transition.

Further information about School Cash Online is available on our school website: southplymptonwyoming.lkdsb.net.

Sincerely,

Mr. A. Parnham
Principal
