MEET THE STAFF BBQ

Our Meet the Staff BBQ was held on September 28th. We served hot dogs and welcomed families in to meet some community partners and to see classrooms. The community partners included Restorative Justice, CK Public Health, Linck, and the CK Library just to name a few. Thank you to all who came out to support this event.

VIDEO ANNOUNCEMENTS

Our announcements each day are a video presentation. The videos contain any announcements, birthday wishes, the weather, the Territorial Acknowledgement and O Canada. The reasons we went to this format are because not all students were hearing the announcements if they arrived late, or it was loud in the classroom. Now, teachers can choose a time that works in their schedule to play the announcements so that all students can see them. There are a variety of students who are featured in the announcements and eventually they will be student created as well.
