Staff Update

Welcome to Mrs. Brodie as our 0.5 EA for the year! Mrs. Brodie joins us from Dresden school and is excited to be a Tiger! She is at Zone school in the morning and joins us after lunch. It is great to have Mrs. Brodie join our staff and partner up with Mrs. Carroll!

Little Caesar's Pizza Fundraiser

The school will be participating again in our Little Caesar's Pizza Fundraiser this year. Information will be coming home on Friday September 29. Proceeds will go towards our Primary Playground fundraising campaign and other school related activities.

Sports at TACS!

Cross Country is our first sport to kick-off the 2023-24 season. Ms. Burton is the head coach and student athletes will be coming home with more information as the season progresses. The first meet is October 12 in Wallaceburg (raindate October 13). Mrs. Klootra and Mr. Agnew are getting the volleyball seasons organized and more information will come out soon about that. Go Tigers!!

Truth & Reconciliation Week September 25-30

The students and staff at TACS have been involved in some important learning around Residential Schools and the importance of Orange Shirt day. This essential and necessary learning can continue beyond the walls of the school. For more information and to continue the important conversations at home, please visit

Weekly Pizza Days

Each week our pizza is delivered and paid to Godfathers Pizza. In the chance your child is sick from school on our pizza day, we will make every effort to send the slice(s) home with a sibling that day. Unfortunately slices will not be able to be wrapped up and saved at school for another day. Thanks for understanding.

October 2022
