

Grade 3 February News

February is going to be a very busy month for the grade 3 class. Keep reading to find out what exciting events are in store for the class. The star student presentations continue to be very interesting. The students have been working diligently on their January word wall words and our February words are: by, buy, didn't, doesn't, something, sometimes, one, unhappiness, winner, won, your, you're. Continue to review the words at home as the students need to always be reminded to refer to the word wall words when they are writing.

Upcoming Events In February

The home reading incentive program is still ongoing. Remember students it is important to be reading every night and bring in your completed reading sheets so that you will receive a prize. Good Luck and continue reading!

Our next skating day will be on February 22nd from 9:30-10:30am. Thank you to all the parents who come to our skating days to skate with students or to tie skates. The class really appreciate your help!

On February 10th our class will be celebrating 100th day of school. Please send a bag of 100 things that can be glued on a poster. For example cotton balls, cheerios, fish crackers or straws.

Reading and Writing

Students have been making text to text, text to self and text to world connections to better understand what they are reading. Now the class will explore non-fiction text and inferencing. In writing students have been writing persuasive paragraphs and letters and now will be doing narrative writing.

Mathematics News

In math, our class has been busy doing a unit on problem solving and making money amounts up to \$10.00. Next students will be learning about 2-D shapes as part of our geometry unit.

Science

In science the grade 3 class is finishing a unit on Forces and Movement and then starting a social studies unit on people living in the 1700's-1800's. With a focus on early settler's, aboriginal people and united nation's people.

Drama

Students are learning about tableaux. The students have been focusing on characters, setting and emotions when acting. Now students will be doing a small play in groups.

Thanks,

Mrs. Josling

Attached please find a class list if your child would like to bring Valentines to hand out on February 14th.
