Students in grades 7-10 are invited to participate in social skills camps at secondary schools in Sarnia and Chatham over the winter break to connect with their peers and to learn important skills for success at school and beyond. ABA Specialists Emily Burns and Becky Drury will lead these day-long, fun-fill learning opportunities focusing on making positive peer connections, organization and planning skills, leisure, and self-regulation.

Connection Day Activities will Include:

- Cooperative games, STEM activities and creative art projects
- Mindfulness activities like guided yoga and outdoor nature exploration
- An Amazing Race team challenge
- Homework help
- Lunch and snacks

Students will be invited to participate in all activities including lunch prep and will have the opportunity to decline should they wish.
